Animal Shelter

FREE List!

Scavenger hunts are a fun game for birthday parties and **the best part of the Shelter Scavenger Hunt** is a fun party theme/idea - BUT THEY ALSO LEARN HOW TO HELP THEIR LOCAL ANIMAL SHELTER!

Scavenger hunts can be played many different ways, but the main idea is to divide the party into teams, each team has a list of items to find (or things to do) and the first team to collect the most items in a time frame wins. **Below you'll find a list of items OUR shelter is in need of to help you start off.**

After the scavenger hunt – contact the shelter at 978-422-8585 or staff@sterlingshelter.org and make arrangements for the birthday boy/girl to bring down the collected items to the shelter. Your birthday child will get to see how their collected items will benefit the pets we care for.

Your birthday boy or girl will receive a FREE Sterling Shelter Supporter T-shirt to proudly wear for their efforts in celebrating their birthday AND making a difference for the homeless animals in our community. A win-win!
