

Sterling Shelter - Path for Paws Commemorative Brick Order Form

Laser Engraved bricks are typically placed in the pathway within 30 to 60 days from date of order. We do not place any bricks during the winter months, but we still accept orders year round and will place the bricks in the Spring. The bricks will be laid in a beautiful area located around our Koi-Pond for all shelter visitors to admire.

The bricks are a classic brick red with black lettering. Each 4x8 brick can be engraved with 3 lines and a total of 15 letters for eachline. *Spaces count as "letters", as do punctuation.* Each 8x8 brick has 5 lines with 20 letters per line.
